Lamb Weston® 
SEEING POSSIBILITIES IN POTATOES

We're an international and pioneering food enterprise.

Everything we do is founded on our conviction that potatoes can create a better, healthier, and nicer future for everyone.

Our mission is to feed the world sustainably with great potatoes. Every day we strive to make best-tasting products that are also planet-friendly. How? By capturing more of the natural riches of the raw potato in each fry.

Optimize the Operations: Specialties, more yield, more fun, more profits!

CONCEPT:

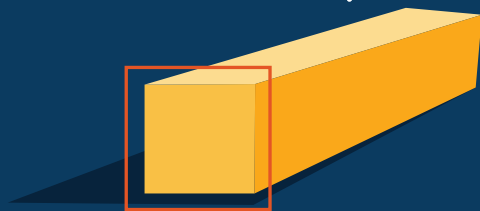

Not all fries
are the **same**.

Specialties

- More shapes.
- More yield/portions.
- More memorable experience.
- More profit.

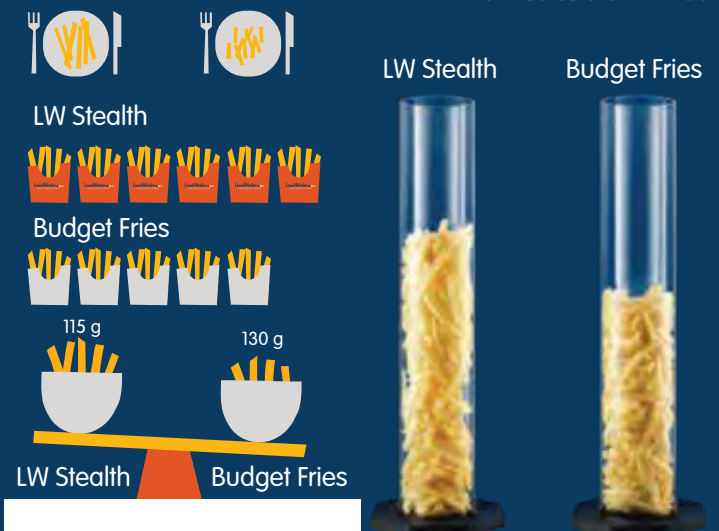

Cut size, matters, so consider it carefully

- Yield:** Cooked volume of fries from frozen product, measured in portions per kilo
- Premium Fries:** Lamb Weston fries yield more due to longer length, higher starch, and lower water content.
- Influencing Factors:** Cut size, storage conditions, and handling impact yield and portion control.
